Osade (Velhe), Panshet Road, Pune — 50-Acre Integrated Campus

RESIDENTIAL COMMUNITY

Integrated Project Specification Document

 Residential Bungalow Complex ·  Clubhouse

Version	Date	Document Ref	Status
v2.0	July 2026	EDU-RC-005	Board Review

This document covers both Residential Community projects: the Residential Bungalow Complex (200–250 gated plots) and the Clubhouse (exclusive member facility). The bungalow complex is a second-home destination for the Club Deeper community — a peaceful, nature-immersed residential township adjacent to the 50-acre campus. Market-researched prices from Pune/Maharashtra (July 2026) are included.

RESIDENTIAL COMMUNITY — PROJECT SPECIFICATION

1.7 Infrastructure Civil Cost Estimate — Bungalow Complex

Note: The bungalow complex requires a separate land parcel — it is NOT within the 50-acre campus. The land area required for 250 plots of 3,000 sq ft each = 750,000 sq ft = ~17 acres (plots only). With common areas, roads, parks = approximately 25–30 acres total. The Core Committee must confirm land allocation and obtain layout approval from the planning authority (PMRDA/Gram Panchayat).

Infrastructure Component	Qty / Area	Rate	Estimated Cost (₹)	Notes
Internal roads (6m wide, all weather tar)	10 km total	₹1,200/sq mt × 6m wide = ₹7,200/running metre	₹7,20,00,000	10,000 m of road × ₹7,200/m
Footpaths (1.5m each side of roads)	3,000 sq mt	₹800/sq mt	₹24,00,000	Paved footpath both sides of main roads
Street lights (LED solar, 20m spacing)	500 poles	₹15,000/pole	₹75,00,000	Solar LED pole installed India ₹12,000–20,000

Perimeter boundary wall (6-ft concrete slab)	~2,500 metres	₹800/metre	₹2,00,00,000	6-ft concrete boundary wall India ₹800—1,200/m
Main gate (boom barrier + cabin + double gate)	1 unit	₹15,00,000	₹15,00,000	Gate + cabin + boom installed
Central water supply (tank + pump + mains)	Lump sum	—	₹1,50,00,000	Overhead water tank + underground mains to all plots
Underground sewage network	10 km	₹3,000/metre	₹3,00,00,000	PVC sewer mains to all plots; manholes
Underground electrical cabling to plots	10 km	₹2,500/metre	₹2,50,00,000	LT underground cables to each plot
Landscaping — common areas, parks, roundabouts	50,000 sq mt	₹200/sq mt	₹1,00,00,000	Grassing, trees, planting, irrigation — common areas
CCTV infrastructure (cameras + cable + NVR)	250 cameras approx.	₹5,000/camera installed	₹12,50,000	1 per 5 houses = 250 cameras for 250 plots
STP (Sewage Treatment Plant for complex)	150 KLD capacity	₹40,00,000	₹40,00,000	150 KLD STP for 250 plots
TOTAL INFRASTRUCTURE CIVIL	—	—	₹18,86,50,000	~₹18.9 Crores (EXCLUDES land cost and plot development by buyers)

TOTAL — RESIDENTIAL COMMUNITY			₹21,62,50,000	~₹21.6 Crores (excl. land; excl. individual bungalow construction)
Contingency (10%)			₹2,16,25,000	
GRAND TOTAL — RESIDENTIAL COMMUNITY			₹23,78,75,000	~₹23.8 Crores; Revenue potential: ~₹51 Crores from plot sales

3.1 Revenue Potential — Plot Sales

At Phase 1 price of ₹600/sq ft × 3,000 sq ft × 100 plots = ₹18 Crores revenue from Phase 1 alone. Total revenue across all 3 phases at rising prices = ~₹51 Crores. Infrastructure investment of ~₹21.6 Crores yields net profit of ~₹29 Crores before land cost. This makes the Residential Bungalow Complex the financially strongest project in the Club Deeper portfolio. A detailed financial model should be prepared by CA Dinesh Bhawe (Bhawe & Bhawe Associates).
