Osade (Velhe), Panshet Road, Pune — 50-Acre Integrated Campus

SKILL CAMPUS

Integrated Project Specification Document

 Skill Campus (25–30 Units) ·  Software Development Park

Version	Date	Document Ref	Status
v2.0	July 2026	EDU-SC-002	Board Review

This document covers both projects in the Skill Campus: the Skill Campus (25–30 skill training units with live campus service integration) and the Software Development Park (internal IT hub, Eduval office, and student tech training). Market-researched prices from Pune/Maharashtra (July 2026) are included. This is the primary design brief for the architect and civil engineer.

SKILL CAMPUS — PROJECT SPECIFICATION

Skill Campus (25–30 Skill Units)

1. Skill Campus — Vision & Programme Overview

Vision: TBD — Core Committee to confirm

Total Student Capacity: 225 students at full operation

Target Age Range: 15–25 years

Minimum Qualification: 10th standard (SSC) pass

Programme Duration: 3 months and 6 months per skill unit

Accommodation: Fully residential — all skill students stay on campus

NSQF Alignment: Yes — all programmes NSQF aligned

Skill University Affiliation: Yes — long-term goal

Government Schemes: All applicable schemes: PMKVY, DDU-GKY, State schemes

Admission: Screening test for entry

Placement Cell: Shared with Education Campus

Fee: ₹10,000 per skill per month

Compensation for Campus Services: Deeper Coins paid to students for services rendered

Certification: Deeper Coins + Industry Certifications + NSQF certificates

Entrepreneurship Support: Startup incubation + micro-credit + business plan competition + mentoring + market linkage

Placement Preference: Skill graduates get first preference for campus employment

1.1 Skill Units — All 17 Confirmed (25–30 at full operation)

#	Skill Unit	Phase	Priority
1	Healthcare & Nursing	Phase 1	★★★
2	IT & Software Development	Phase 1	★★★
3	Construction, Plumbing & Electrical	Phase 1	★★★
4	Agriculture & Horticulture	Phase 1	★★★
5	Hospitality, Catering & Food Service	Phase 1	★★★
6	Beauty, Wellness & Salon	Phase 1	★★★
7	Retail, Logistics & Supply Chain	Phase 2	★★
8	Automotive & Mechanical (EV/2-wheeler)	Phase 2	★★
9	Handicrafts, Textiles & Fashion	Phase 2	★★

10	Media, Photography & Video Production	Phase 2	★★
11	Financial Literacy & Accounting	Phase 2	★★
12	Early Childhood Care & Education	Phase 2	★★
13	Security Services	Phase 2	★★
14	Two-wheeler / EV Repair	Phase 2	★★
15	Designing & Printing	Phase 3	★
16	Driving & Transportation	Phase 3	★
17	Vocational & Music	Phase 3	★

Note: The committee survey confirmed all broad sector categories. The full list of 25–30 individual skill units with specific sub-competencies must be finalised with industry partners before detailed infrastructure planning begins. Phase 1 targets 12–15 units.

1.2 Campus Service Integration — Live Training Model

Skill students provide live campus services as part of their practical training. This is a core feature of the Club Deeper Skill Campus model. Service hours count fully toward NSQF certification hours.

Campus Service	Skill Unit(s)	Supervision	Compensation
Canteen / food service (3 meals + snacks daily)	Hospitality, Catering & Food Service	Kitchen supervisor + chef	Deeper Coins
Laundry services for hostel	General + specific skill unit	Housekeeping supervisor	Deeper Coins
Hair & beauty services (campus barbershop/salon)	Beauty, Wellness & Salon	Salon master trainer	Deeper Coins
Plumbing & electrical maintenance	Construction, Plumbing & Electrical	Civil/MEP supervisor	Deeper Coins
Gardening, landscaping & horticulture	Agriculture & Horticulture	Farm manager	Deeper Coins
IT support & helpdesk (Eduval ERP, Wi-Fi, devices)	IT & Software Development	IT supervisor (Eduval)	Deeper Coins
First aid / healthcare assistance	Healthcare & Nursing	Nurse on duty	Deeper Coins

Construction & civil maintenance works	Construction, Plumbing & Electrical	Site supervisor	Deeper Coins
Housekeeping for residential zones	General housekeeping skill	Housekeeping supervisor	Deeper Coins
Event management, photography, AV support	Media, Photography & Video Production	Events coordinator	Deeper Coins
Animal husbandry assistance	Agriculture & Horticulture	Farm manager	Deeper Coins

2. Skill Campus — Building & Infrastructure Specification

2.1 Land Requirement

IMPORTANT: The Skill Campus requires a SEPARATE land allocation on the 50-acre campus — it is NOT within the 5-acre Academic Zone. Recommended land allocation: 3–4 acres including the civil trades training yard. The Core Committee must confirm the exact parcel and FSI allocation before design begins.

2.2 Phase 1 Space Programme (15 skill units, 12 workshops)

Space	Cou nt	Unit Area (sq ft)	Total (sq ft)	Floor	Civil Notes
Standard training workshop/lab	12	1,500	18,000	G + 1F	14 ft ceiling min; industrial epoxy floor; 3-phase power; water point
Demonstration kitchen (Culinary/Hospitality)	1	2,500	2,500	G	Full commercial kitchen; PNG/LPG; exhaust; cold room; industrial grade
Beauty / salon training unit	1	1,200	1,200	G	6 styling stations; mirrors; plumbing for shampoo stations; exhaust
IT training lab (Phase 1 — shared with Software Park)	1	Shared	—	—	Use Software Development Park computer lab
Construction trades yard (open + covered shed)	1	25,000	25,000	Ground	Large open yard; covered shed 40% of area; 3-phase power; water
Placement cell + admin reception	1	800	800	G	Front office; student registration; counselling counter
Student common room / recreation	1	600	600	1F	TV lounge; indoor games; relaxed seating; Deeper Coins vending
Trainer staff rooms	1	400	400	1F	6 trainer workstations; lockable storage; printer
Washroom clusters	4	300	1,200	G + 1F	Male/Female/Staff/Accessible per floor
TOTAL INDOOR BUILT-UP	—	—	24,700 sq ft	—	Civil trades yard is additional open area

2.3 Building Configuration

Parameter	Specification
Proposed configuration	2-floor building (Ground + First) — workshops on both floors
Floor footprint	~12,350 sq ft per floor (120 ft × 103 ft approx.)
Total built-up	~24,700 sq ft
Workshop ceiling height	Minimum 14 ft clear height — to accommodate machinery, exhaust ducting, hoists
Workshop flooring	Industrial epoxy cement finish — easy to clean; chemical resistant
Power supply	Industrial 3-phase power to all workshops; safety earth leakage circuit breakers
Water supply	Running water to: kitchen, salon, plumbing lab, horticulture area
Gas supply	LPG bulk supply (or PNG if available) to demonstration kitchen
Ventilation	Industrial ceiling fans + cross ventilation + dedicated exhaust fans: kitchen and salon
CCTV	All workshops, corridors, entries — linked to campus Eduval security system
Estimated construction cost	38,000 sq ft × ₹2,500 = ₹9,75,00,000 (incl. industrial-grade finishes)
Civil trades yard	25,000 sq ft open + shed @ ₹500/sq ft = ₹1,25,00,000

3. Skill Campus — Fit-Out Inventory with Prices

3.1 Workshop Equipment by Skill Unit (Key Items)

Skill Unit	Key Equipment (indicative)	Min Cost	Max Cost	Source
Healthcare & Nursing	Patient dummy/manikin ×2; anatomical models; blood pressure monitors ×10; stethoscopes ×15; diagnostic kit; nursing training bed ×4; first aid equipment	₹3,00,000	₹5,00,000	Medical training equipment India
Construction, Plumbing & Electrical	PVC/CPVC pipe practice sets; electrical wiring practice boards ×10; hand tools kit ×15; scaffolding safety kit; conduit training board; hard hats + safety gear	₹2,00,000	₹4,00,000	Construction tools India Pune
Hospitality, Catering & Food Service	Demonstration kitchen (see Section 2.2); serving trolleys ×4; presentation crockery for 30; training uniforms ×30; F&B service training kit	₹5,00,000	₹8,00,000	Commercial kitchen + F&B India
Beauty, Wellness & Salon	6 professional styling stations with mirrors + chairs; salon shampoo stations ×3; hair dryer ×10; hair colour kit; wax kit ×2; skin care equipment; steriliser; manicure/pedicure sets ×6	₹4,00,000	₹7,00,000	Salon equipment Pune market
IT & Software Development	30 desktops (i5, 8GB, 512GB SSD, Win 11) shared with Software Park; networking lab: switches, routers, patch panels for training	₹8,00,000	₹12,00,000	Shared with Software Development Park
Automotive & Mechanical (EV/2-wheeler)	2-wheeler practice bike; engine cutaway model; tool kit sets ×15; engine stand; digital multimeter ×5; tyre changing machine; EV battery training module	₹3,00,000	₹6,00,000	Auto training equipment India
Handicrafts, Textiles & Fashion	Industrial sewing machines ×10; embroidery frames ×15; fabric cutting table; overlock machine ×2; screen printing unit; design workstations ×5	₹2,50,000	₹5,00,000	Sewing machine India ₹15,000–40,000 each
Media, Photography & Video	DSLR cameras ×5; studio lighting kit (3-point); video editing workstations ×5; green screen backdrop; tripods ×5; audio recording microphone kit; drone (optional)	₹4,00,000	₹8,00,000	Photography/ video production India

Security Services	Physical training area (rubber matting ×50 sq mt); guard uniforms ×20; first aid training kit; walkie-talkies ×10; CCTV monitoring training station; access control training board	₹1,50,000	₹2,50,000	Security training India
Agriculture & Horticulture	Knapsack sprayers ×5; hand tools kit ×20; soil testing kit; grafting tools ×10; composting bin; nursery trays ×200; pH meter ×2; drip irrigation demo kit	₹1,50,000	₹3,00,000	Most linked to campus farm
ALL OTHER UNITS (7 units est.)	Standard workshop setup per unit	₹1,50,000	₹3,00,000	per unit average

3.2 Hostel Furniture — Skill Students (225 students)

Item	Specification	Qty	Unit Price (₹)	Total (₹)	Source
Hostel bunk bed (2-tier, MS pipe)	Powder coated MS pipe; 3 ft × 6 ft; 2-tier; 100 kg rated	113 units	₹7,000	₹7,91,000	Modern School Furniture Pune
Student wardrobe (steel lockable)	Steel; 3 shelves; lockable; 18 inches wide per student	225 units	₹4,500	₹10,12,500	Steel wardrobe Pune ₹4,000–6,000
Study desk + chair per student	36 × 18 inch study desk; ergonomic chair; book shelf	225 sets	₹4,500	₹10,12,500	Student desk Pune ₹4,000–6,500
Common room furniture (per 50-student block)	2-seater sofa ×3; TV + wall mount (55"); indoor games table; side tables	5 sets	₹45,000	₹2,25,000	Living room furniture Pune
Commercial washing machines	Front-load 12 kg; 1 per 25 students	9 units	₹60,000	₹5,40,000	Commercial washing machine India ₹50,000–75,000
TOTAL — SKILL HOSTEL FURNITURE	—	—	—	₹35,81,000	—

3.3 Canteen Kitchen Equipment — Demonstration Kitchen (Skill Campus)

The demonstration kitchen serves dual purpose: (1) training facility for hospitality/food service skill students, and (2) production kitchen for campus canteen meals. Equipped to commercial grade.

Item	Spec	Qty	Unit Price (₹)	Total (₹)	Notes
Commercial cooking range (6-burner LPG)	Heavy duty SS; 6-burner; stand	4	₹40,000	₹1,60,000	Commercial kitchen Pune ₹35,000–55,000
Commercial tilting braising pan (200L)	SS; LPG; 200L tilting pan	2	₹70,000	₹1,40,000	Bulk cooking equipment
Commercial food steamer	Large capacity SS steamer	2	₹38,000	₹76,000	Commercial steamer India
Walk-in cold room (12×10 ft)	SS lined; compressor; shelving; -4°C	1	₹2,30,000	₹2,30,000	Walk-in cold room India
Commercial chest freezer (500L)	SS; -18°C; 500L	3	₹24,000	₹72,000	Commercial freezer
Exhaust canopy + exhaust fan	SS; 2m canopy over each range + 2000 CFM fan	4	₹18,000	₹72,000	Kitchen exhaust India
Semi-auto dishwasher with hot water	Semi-auto with hot water system as per survey	1	₹80,000	₹80,000	Semi-auto dishwasher India
LPG bulk storage + manifold	1,000 kg LPG bulk tank + manifold piping	1	₹1,50,000	₹1,50,000	LPG bulk supply installed
Training crockery + cutlery set	Plates, bowls, cups, cutlery for 30 students training	2 sets	₹25,000	₹50,000	Training F&B setup
TOTAL — CANTEEN/KITCHEN EQUIPMENT	—	—	—	₹10,30,000	—

Software Development Park

4. Software Development Park — Full Specification

4.1 Identity, Purpose & Scope

Roles: (1) Training centre for IT/software students, (2) Development centre for Eduval (Club Deeper ERP), (3) Startup incubation, (4) Internal use only — no external commercial clients

Technology Focus: Web & Mobile Development, AI & ML, EdTech, HealthTech, AgriTech, Cybersecurity, Data Analytics & BI, ERP & Enterprise Software

Long-term Vision: Mini IT Park serving the Club Deeper campus ecosystem

Seating Capacity: 30 workstations

Internet Bandwidth: 500 Mbps dedicated leased line (2 ISPs for redundancy)

Data Centre: Yes — full on-premise server room/data centre

Operating Hours: 24/7 for residential developers

Meeting Rooms: 2 rooms: 1 large (8–10 pax with video conferencing), 1 small (4–5 pax)

Amenities: Pantry only — no lounge, nap rooms per survey

Maker/Hardware Lab: No — not planned

Startup Incubation: Yes — programme planned; duration and mentoring details TBD

Eduval Workspace: Shared space within the park (6 dedicated Eduval desks)

IT Skills Taught: Modern AI and SaaS techniques; programming; cloud; web development

Student Certifications: Deeper Coins + Industry Certifications (AWS, Google, Microsoft, etc.)

Revenue Model: Deeper Coins transactions exchange model

4.2 Space Programme — Software Development Park

Room / Zone	Area (sq ft)	Floor	Key Civil Notes
Open workstation floor (30 workstations)	1,800	G or 1F of Skill Campus building	Hot-desking; 60 sq ft per workstation; under-floor cable management; power every 1.5m
Large meeting room (8–10 pax)	300	Same floor	Soundproofed; 75" display; VC camera + speaker; whiteboard; HDMI at each seat
Small meeting room (4–5 pax)	150	Same floor	55" display; HDMI; whiteboard; soundproofed
On-premise server room / data centre	300	Ground floor only	Precision AC; UPS; fire suppression; 2-layer biometric access; raised floor 6"
Pantry / break area	150	Same floor	Coffee machine; microwave; fridge; 8-seat dining counter

Washrooms	150	Same floor	Male/Female/Accessible — 3 WC units
Eduval dedicated workspace (6 desks)	150	Same floor	Separate VLAN; lockable cabinet; whiteboard
TOTAL	3,000 sq ft	Single floor	Can occupy upper floor of Skill Campus building

4.3 Building Note for Architect

The Software Development Park (3,000 sq ft) can occupy the First Floor of the Skill Campus building — this avoids a standalone structure and is cost-efficient. If a standalone building is preferred, it should be adjacent to the Skill Campus with a covered walkway connection. The server room **MUST** be on the ground floor regardless of configuration, for structural load and cable routing efficiency.

4.4 Fit-Out Inventory — Software Development Park

Item	Specification	Qty	Min Price (₹)	Max Price (₹)	Avg Price (₹)	Total (₹)	Notes
Developer workstation (high-spec desktop)	Intel Core i7 (13th Gen); 32GB RAM; 1TB NVMe SSD; Win 11 Pro; 27" monitor x2 (dual setup)	30	80,000	1,10,000	$\frac{(D_{\{r\}} + E_{\{r\}})}{2}$	$=G_{\{r\}}*C_{\{r\}}$	Dev workstation India ₹75,000 – 1,10,000
Ergonomic developer chair	Mesh back; lumbar support; adj armrests; class 4 gas lift	30	6,000	12,000	$\frac{(D_{\{r\}} + E_{\{r\}})}{2}$	$=G_{\{r\}}*C_{\{r\}}$	Ergonomic chair Pune ₹5,000 – 12,000
Height-adjustable sit-stand desk	Electric; 60Wx30D; memory presets; cable management drawer	30	12,000	20,000	$\frac{(D_{\{r\}} + E_{\{r\}})}{2}$	$=G_{\{r\}}*C_{\{r\}}$	Sit-stand desk India ₹10,000 – 22,000
Large meeting room AV system	75" 4K display + PTZ VC camera + speaker + wireless mic + HDMI	1	1,20,000	1,80,000	$\frac{(D_{\{r\}} + E_{\{r\}})}{2}$	$=G_{\{r\}}*C_{\{r\}}$	Meeting room AV India
Small meeting room AV	55" display + HDMI switch + whiteboard	1	50,000	80,000	$\frac{(D_{\{r\}} + E_{\{r\}})}{2}$	$=G_{\{r\}}*C_{\{r\}}$	Small room AV
Server rack	42U rack + 30A	2	35,000	50,000	$\frac{(D_{\{r\}} + E_{\{r\}})}{2}$	$=G_{\{r\}}*C_{\{r\}}$	Server

(42U) + PDU + patch panel	PDU + 48-port patch panel + cable management				$+E\{r\}/2)$	}	rack India
Online UPS (20 KVA) for workstations	Online double-conversion UPS; 30 min battery for 30 workstations	1	2,00,000	3,00,000	$=((D\{r\} + E\{r\})/2)$	$=G\{r\} * C\{r\}$	APC/ Emerson 20KVA online UPS India
Precision AC for server room	1.5-ton close control AC; N+1 redundancy	2	1,20,000	2,00,000	$=((D\{r\} + E\{r\})/2)$	$=G\{r\} * C\{r\}$	Precision AC server room India
Clean agent fire suppression (server room)	FM-200 or Novec 1230 fixed system; detector + control panel	1	2,00,000	3,50,000	$=((D\{r\} + E\{r\})/2)$	$=G\{r\} * C\{r\}$	Clean agent suppression India
500 Mbps leased line (annual cost)	Dedicated leased line; dual ISP; SLA-backed	1	3,50,000	5,00,000	$=((D\{r\} + E\{r\})/2)$	$=G\{r\} * C\{r\}$	Leased line Pune 500 Mbps ₹3—5L/year
Pantry equipment	Coffee machine; microwave; fridge 250L; water purifier + cooler	1	40,000	70,000	$=((D\{r\} + E\{r\})/2)$	$=G\{r\} * C\{r\}$	Pantry appliances India

5. Skill Campus — Complete Cost Summary

Component	Area / Qty	Rate	Estimated Cost (₹)	Notes
CIVIL CONSTRUCTION				
Skill Campus building — 2 floors (workshops + admin)	24,700 sq ft	₹2,500/sq ft	₹6,17,50,000	Industrial-grade; 14 ft ceiling; 3-phase power; water to all workshops
Civil trades training yard	25,000 sq ft	₹500/sq ft	₹1,25,00,000	Covered

(covered shed + open)				shed 40%; yard prep; drainage
Software Development Park (if integrated in Skill Campus building)	3,000 sq ft	Included above	—	Included in Skill Campus building area above
Hostel for 225 skill students (separate land)	225 students — separate land	~₹12,000/sq ft per student	₹2,50,00,000	Estimate ₹1.1 Cr per 50-student hostel block × 4.5 blocks
Utilities — industrial 3-phase, PNG/LPG, water, drainage	Lump sum	—	₹75,00,000	Industrial power + gas + water for skill campus; STP shared
Skill Campus roads + fencing	Perimeter + internal	₹400–1,200/ metre	₹25,00,000	Depends on land parcel allocated
CIVIL SUBTOTAL			₹10,92,50,000	~₹10.9 Crores
FIT-OUT & EQUIPMENT				
Workshop equipment — 17 skill units	17 units × avg ₹4L	avg ₹4,00,000	₹68,00,000	Range ₹1.5L (security) to ₹8L (culinary) per unit
Skill student hostel furniture (225 students)	225 students	—	₹35,81,000	Bunk beds, wardrobe s, desks, common room
Canteen/demonstration kitchen equipment	1 kitchen	—	₹10,30,000	Commercial kitchen for training +

				production
Software Development Park fit-out	30 workstations	—	₹60,00,000	Computers, AV, server, UPS, fire suppression, internet
Common areas + admin furniture + signage	Lump sum	—	₹8,00,000	Reception counter, staff room, student common room
FIT-OUT SUBTOTAL			₹1,82,11,000	~₹1.8 Crores
TOTAL — SKILL CAMPUS (Civil + Fit-Out)			₹12,74,61,000	~₹12.7 Crores
Contingency (10%)			₹1,27,46,100	Standard contingency
GRAND TOTAL — SKILL CAMPUS			₹14,02,07,100	~₹14 Crores

5.1 Board Decisions Required — Skill Campus

#	Decision Required	Current Status	Action By
1	Exact land allocation for Skill Campus (acres + location on 50-acre campus)	Not confirmed	Core Committee — URGENT
2	Skill Campus vision statement	TBD	Core Committee
3	Final confirmed list of 25–30 skill units with Phase 1 priorities	17 confirmed; Phase 1 priorities TBD	Core Committee + Industry Partners
4	Detailed equipment list for top 5 priority Phase 1 units	TBD	Industry partner consultations
5	Target placement rate (committee mentioned 25% in 3 months)	TBD — confirm this target	Core Committee
6	IT training lab sharing agreement with Software Development Park	Agreed in principle	Formalise in writing
7	Startup incubation programme — duration, mentoring, seed funding details	Yes decided; details TBD	Eduval + Core Committee

8	Software Development Park — standalone building or upper floor of Skill Campus	TBD	Architect to advise
